# ADVISEMENT AND REGISTRATION PROCEDURES

**All students must be cleared by an academic advisor before attempting to register.**

## New Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admissions application. (An application form is in the back of the *College Catalog* and available at [www.tjc.edu/admissions/application.htm](http://www.tjc.edu/admissions/application.htm).)
- Official high school transcript or GED score report.
- Test scores (i.e. TASP/THEA, ACT, SAT) if not listed on the high school transcript.

2. Determine TASP/THEA status through Admissions Office:

- If TASP/THEA taken; \*TASP/THEA exempt; or \*\*TASP/THEA waived, go to step 3.
- If TASP/THEA has not been taken, go to the Testing Center (second floor of Rogers Student Center) to take the ACCUPLACER. (This is an alternative test to TASP/THEA—allow five hours to test. There is a fee of \$15 to be paid in the Cashier's office or the Testing Center before testing.) Or check with the Testing Center for scheduled Quick TASP/THEA dates.

3. Meet with an academic advisor for assistance in course selection. A list of advising offices and majors is at the bottom of this page.

- The academic advisor helps the student with:
  - Interpretation of test scores
  - Information on campus resources
  - Selecting a major
  - Degree Plan and transfer information
  - Course selection
  - Information on the registration process
  - Clearance for registration

4. Decide how you want to register for your classes: Internet or arena. Internet registration using Campus Connect is strongly recommended.

5. Check the printed *Class Schedule* or view it online at [www.tjc.edu](http://www.tjc.edu).

6. Register and pay tuition and fees by the timeline published in the *Class Schedule*. Secure parking permit and student ID card.

*\* Determined when an application is received. TASP/THEA status is based upon scores from one of the following tests: ACT, SAT, TAAS or TAKS. Students who are exempt from TASP/THEA may still be required to take a TJC placement test or ACCUPLACER for placement.*

*\*\*Includes students who are in a certificate program. See College Catalog for more information.*

## Returning Student Advising Process

In order to register for classes, the following are general registration procedures:

1. Meet with an academic advisor for assistance in course selection. A list of advising offices and majors is at the bottom of this page.

- The academic advisor helps the student with:
  - Interpretation of test scores
  - Information on campus resources
  - Selecting a major
  - Degree Plan and transfer information
  - Course selection
  - Information on the registration process
  - Clearance for registration

2. Decide how you want to register for your classes: Internet or arena. Internet registration using Campus Connect is strongly recommended.

3. Check the printed *Class Schedule* or view it online at [www.tjc.edu](http://www.tjc.edu).

4. Register and pay tuition and fees by the timeline published in the *Class Schedule*. Secure parking permit and student ID card.

Consider the following factors prior to registration:

A. Are you on scholastic probation?

- If so, you are required to see the academic advisor from your school (Allied Health and Nursing, Applied Studies, or University Studies) for assistance in course selections and information on study skills and tutorial resources. Be aware that, due to your GPA, you may be limited in the number of hours and type of courses for which you may enroll.

B. Do you plan to graduate this semester?

- If so, then follow the steps below:
  - Plan to meet with an academic advisor in your major and/or school to confirm your graduation status.
  - If necessary, request course waivers and/or substitutions for specific Degree Plan requirements.
  - Apply for graduation with appropriate advisor for your major by the published deadline. (See the *College Catalog* for dates.)

## Transfer Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admissions application. (An application form is in the back of the *College Catalog* and available at [www.tjc.edu/admissions/application.htm](http://www.tjc.edu/admissions/application.htm).)
- Official transcripts from all colleges previously attended.
- Test scores (i.e. TASP/THEA, ACT, SAT) if not listed on a college transcript.

2. Determine TASP/THEA status through the Admissions Office:

- If you are TASP/THEA liable and have not taken the TASP/THEA, see an academic advisor or the Registrar's office regarding your options. Remember, unless a student is \*TASP/THEA exempt or in a \*\*TASP/THEA waived certificate program, he/she must take the TASP/THEA before registering at a Texas state public institution. A TJC placement test or ACCUPLACER may be required of some students regardless of their TASP/THEA status.

3. Contact the transcript evaluator in the Admissions office for an evaluation of transfer credits at 903-510-2123.

4. Meet with an academic advisor for assistance in course selection. A list of advising offices and majors is at the bottom of this page.

- The academic advisor helps the student with:
  - Interpretation of test scores
  - Information on campus resources
  - Selecting a major
  - Degree Plan and transfer information
  - Graduation requirements
  - Course selection
  - Course waivers and substitutions
  - Information on the registration process
  - Clearance for registration

5. Decide how you want to register for your classes: Internet or arena. Internet registration using Campus Connect is strongly recommended.

6. Check the printed *Class Schedule* or view it online at [www.tjc.edu](http://www.tjc.edu).

7. Register and pay tuition and fees by the timeline published in the *Class Schedule*. Secure parking permit and student ID card.

*\* Determined when an application is received. TASP/THEA status is based upon scores from one of the following tests: ACT, SAT, TAAS or TAKS. Students who are exempt from TASP/THEA may still be required to take a TJC placement test or ACCUPLACER for placement.*

*\*\*Includes students who are in a certificate program. See College Catalog for more information.*

## Additional Online Classes

Distance courses not in the catalog or schedule may be available to Tyler Junior College students through a statewide consortium, the Virtual College of Texas. More than two hundred individual courses are available through the virtual college and may be viewed online at [www.vct.org](http://www.vct.org). Virtual College of Texas courses may originate from any of the more than fifty public college systems in the state but have the same tuition, admission procedures and requirements, and appear the same on your transcript as any other Tyler Junior College courses. For Virtual College classes, you will have access to the advisement, library and support services, and other activities of the TJC system. You may also complete your exams in the Tyler Junior College testing center or, through appropriate arrangements, at an approved high school or other off-campus site. Additional information on courses offered through the Virtual College may be obtained by e-mail at [ghow@tjc.edu](mailto:ghow@tjc.edu) or by calling 903-510-2529.

### Tax Benefits for Students

Independent students and parents of dependent students should be aware that a number of educational tax benefits may be available to them when filing their federal income tax returns. Because deductions available vary widely according to individual circumstances, you should consult your tax advisor to see if any benefits are available to you. Information and applicable tax forms are also available at your local IRS office. The following list provides the common types of possible benefits about which you may want to inquire: (1) The HOPE Scholarship Tax Credit and/or Lifetime Learning Credit (TJC mails a Form 1098-T to each applicable student's permanent address in January); (2) Exemption of Employer-Provided Assistance; (3) Exemption of Scholarships and Tuition Remission; and (4) Deduction of Student Loan Interest.

Shaded room locations indicate classes scheduled at the Regional Training and Development Complex (RTDC) or Skills Training Center (STC) on TJC's West Campus, 1530 SSW Loop 323.
